Dear Dr. Stetson:

On behalf of the entire University of Southern California community, I would like to congratulate you on your selection as a recipient of the NCAA Silver Anniversary Award.

You join a remarkable group of men and women who achieved distinction as Trojan athletes, then went on to equal distinction in their careers. After your storied career as one of the finest volleyball players in our history, you have gone on to make your mark in medicine. Your contributions to the advancement of orthopedic surgery are known worldwide, and your generosity in sharing your expertise has brought great credit to yourself and to your university.

Dr. Stetson, we are very proud to count you as a member of the Trojan Family. Again, congratulations on this signal recognition of your accomplishments on and off the court.

Sincerely,

A handwritten signature in blue ink, reading "Steven B. Sample". The signature is fluid and cursive, with the first name "Steven" and last name "Sample" clearly legible.
