

SOROT 2020 VIRTUAL CONFERENCE

OCTOBER 7 - 8 • Online Live Meeting

Thank you letter

Dear Prof. William B. Stetson, MD, PhD

The SOROT 2020 Virtual Conference Organizing Committee has the honor to thank you for your important contribution organizing our first event of this kind.

Your participation was very important for the Scientific Program, together we managed to provide to the attendees a high-level scientific content. Attention to details, punctuality, accuracy of information provided and technical involvement were really helpful, which is why we present our sincere respects.

It was a real honor to have you by our side in these important moments for the Romanian Society of Orthopedics and Traumatology. Now, in these hard and uncertain times, with your help we have achieved the impossible.

Please find attached the Certificate of Appreciation for your contribution as Invited Speaker to the SOROT 2020 Virtual Conference.

Warm regards,

Prof. Dr. Tiberiu Băţaga, SOROT President
